**Suggestions for topics and thesis statements for the argumentative essay. Choose one of these for your essay, or create your own thesis statement.**

**Topic 1:**

### The Myth about Women Drivers

#### **Thesis Statement:**

Although statistics tell us that there is really no difference between men and women drivers, the popular belief is that men are good drivers, women are bad drivers and elderly men with hats are the worst.

**Topic 2:**

### The Harmful Effects of too Much Alcohol Consumption

#### **Thesis Statement:**

High levels of alcohol consumption have detrimental effects on your personal health, such as weight gain, heart disease, and liver complications.

**Topic 3:**

### Are Computer Games Bad for Young People?

#### **Thesis Statement:**

Access to computer games should be restricted because they distract young people from school work, socialising and even eating and lead to acts of violence in the playground.

**Topic 4:**

### Breakfast Improves your Grades.

#### **Thesis Statement:**

The benefits of a good breakfast are known to everyone and all schools should give their students a free bowl of porridge in the morning as this will improve attendance, make students more attentive in class and lead to better grades.

**Topic 5:**

### Pollution is Suffocating Planet Earth

#### **Thesis Statement:**

If we keep on emitting the same amount of carbon dioxide into the atmosphere, lack of fresh water, lack of cultivatable land and consequently World War III will be inevitable.
